Mr. Mark D'Angelo
Mid Hudson Food and Wine Society Scholarship
17 Forrest Way
Poughkeepsie, NY 12603

Dear Mr. D'Angelo and Mid-Hudson Food and Wine Society,

Thank you! I am the recipient of the scholarship in place at The Culinary Institute of America. This scholarship is a big help to achieving my education, and in the future achieving my goals. Not only do I thank you from a financial standpoint, but I thank you from a personal standpoint.

In school, CIA among many other schools, it sometimes gets lost how well someone is doing as a student or that student is just having a rough time with course work and not such a great day or week. Receiving a scholarship puts that student, myself included, in a much better mood and reminds them that the hard work is paying off. Thank you so much. This truly is a big help to me and my family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Taylor Bischof'.
