Lindsay Colasurdo

I am in receipt of the Mid Hudson Food and Wine Society's contribution to their named scholarship and I thank you for your continued support of The Culinary Institute of America. The philanthropic generosity of organizations such as yours is responsible for helping to launch the careers of hundreds of culinary students annually at the CIA. You and the membership of the Mid Hudson Food and Wine Society are indeed benefactors of education and we applaud your efforts.

I hope that you and your society enjoyed your recent outing here at the Institute. I was happy to learn that you all were able to meet your scholarship recipient Lindsay Colasurdo. She is quite a remarkable young woman whom I believe will achieve great things in her career. She, along with the CIA, owes you a debt of gratitude for helping make her education possible.

Thank you again for all that you do.

Sincerely,

Jim Heisey
Executive Director of Development

P.S. I'm forwarding along this photo for Mary.
